### **Save The Date: 2016 Shred Event**

I am pleased to be hosting a Shred event scheduled for April 9th from 8-11 AM at Sierra Verde Elementary School located at 7241 W Rose Garden Ln. This free service is a valuable resource that can help you properly dispose of personal information that can lead to identity theft. Each household is limited to three banker's boxes and due to demand, this service may conclude if trucks are full. I would like to thank the Glendale Police Department for their assistance in scheduling and facilitating this event. For additional information, please call 623-930-2250.

Always feel free to contact me with your questions or concerns. I value your input and opinion.

with a high quality, nice looking surface. This will reduce the impact to the intersection when the Deer Valley Road overlay, from 67th to 75th Avenues, occurs next year.

As currently scheduled, crews will mill (remove asphalt) the 67th Avenue/Deer Valley Road intersection on Tuesday, February 16th, and pave on Wednesday, February 17th. Following paving, crews will adjust utilities to make them flush with the new asphalt surface, replace the traffic loops in the intersection, and stripe the intersection. Traffic control will be adjusted various times during the milling and paving activities, so please drive with caution through the intersection. Work should be completed and traffic control removed by the end of February.

Thank you for your patience during this work!

**Union Hills, Between 59th Avenue and 75th Avenue.** Crews will begin working to remove existing sidewalk ramps and install new sidewalk ramps on Union Hills, between 59th Avenue and 75th Avenue, for compliance with ADA (Americans with Disabilities Act). All work is taking place in the existing public right-of-way. Curb lane restrictions may be in place near the work area.
